

Who Are We?

Established in 2008, **Crevolution** is a robotics team from Sterling Heights that is a part of the **FIRST** organization. Our team consists of high school students from the **Utica Community Schools District** and mentors from UCS and local businesses. Crevolution is not only a group of well-educated students, but a family that works together and is always around to lend a hand!

We are
**A CREATIVE
REVOLUTION**

Help us continue to win! Below are our competition and community successes!

Mission Statement

Crevolution's mission is to inspire young people to get involved in the world of Science, Technology, and Engineering and to help prepare them to be future leaders in these important fields.

You can find us online at:
www.crevolutionrobotics.org
 To contact our head mentor with any questions please email Bryan Battaglia at:
bryan.battaglia@uticak12.org
 Mailing Address:
37400 Dodge Park Road, Sterling Heights, MI 48312

Sponsorships

Crevolution is a robotics team completely supported by sponsorships and donations. Our major supporters are BAE Systems, Chrysler, and the Utica Community Schools District. You, too, can sponsor our team with monetary donations, gift cards, materials, or individual sponsorships. Contributors have the opportunity to aid in the education of our students in engineering, business, designing, advertising, programming, as well as community outreach.

We are proud to introduce you to the *cutting edge* of high school students.
